### **ASUR Informs about Impact of Grupo Mexicana's Suspension of Operations**

**México D.F., August 30, 2010 Grupo Aeroportuario del Sureste, S.A.B. de C.V. (NYSE:ASR; BMV:ASUR)**, (ASUR) the first privatized airport group in Mexico and operator of Cancún Airport and eight other airports in southeast Mexico, today announced that on August 28, 2010 at 12:00 pm, Grupo Mexicana (Compañía Mexicana de Aviación, S.A. de C.V. ("CMA"), Mexicana Inter, S.A. de C.V. and Aerovías Caribe, S.A. de C.V.) suspended operations in México and the United States.

Mexicana, Aerovías Caribe and Mexicana Link which operated in all of ASUR's airports with the exception of Tapachula, represented 10.26% of the Company's revenues for the seven month period ended July 31, 2010, primarily from domestic passengers.

ASUR believes that the majority of the routes operated by Grupo Mexicana were also operated by other carriers and thus the impact from the suspension of operations will not be in the same proportion as the number of flights cancelled. However, the Company cannot assure that competing carriers will seek to increase their flight schedules or the impact that this could have on the Company's business and results of operations, which could be adversely affected if traffic does not migrate to its other airline customers.
